DECLARATION

I declare that I am eligible under British Cycling Technical Regulations to enter this race and that the information on this form is complete and correct.

I understand and agree that I participate in this race entirely at my own risk, that I must rely on my own ability in dealing with all hazards and that I must ride in a manner which is safe for myself and all others. I agree that no liability whatsoever shall be attached to the promoter, promoting club, meeting sponsor(s), British Cycling, or any official or member of British Cycling or member of the promoting club in respect of any injury, loss or damage suffered by me in or by reason of the race, however caused.

Categories in Mountain biking vary. The list below is not exhausted, so please state category based on the organiser's guidelines.

If the event carries British Cycling ranking points, then it must conform to one of the categories in the left hand column.

All categories based on age are based on your year of birth. To calculate this, it's the current year minus your year of birth. E.G. 2008-1969 = 39. The category for a rider aged 39 would be Masters unless ability dictated Expert or Elite.

Expert and Elite are ability categories and are only open to riders with current British Cycling licences that clearly state Expert or Elite beside the relevant discipline.

Event cost £55 per event.
